Subject Index

- Adams, W.
surgery for carcinoma of the thoracic esophagus: Adams and Phemister in perspective (Klingman and DeMeester), CLASSICS IN THORACIC SURGERY, 699
- Adhesives
application of fibrin glue for reduction of perioperative hemorrhage (Boyd et al), CORRESPONDENCE, 254; reply (Spotnitz et al), CORRESPONDENCE, 254
- Aged
aortic valve selection in the elderly patient (Borkon et al), 270
morbidity and mortality of coronary bypass surgery in patients 75 years of age or older (Rich et al), 638
should aortic valve replacement be performed in elderly patients? (Sethi), EDITORIAL, 262
surgical management of aortic valve disease in the elderly: a longitudinal analysis (Bessone et al), 264
- Allopurinol
clastogenic factor in ischemia-reperfusion injury during open-heart surgery: protective effect of allopurinol (Emerit et al), 619
- Aminopropanehydroxydiphosphonate
inhibition of bioprosthetic heart valve calcification with aminodiphosphonate covalently bound to residual aldehyde groups (Webb et al), 309
- Analgesia
continuous intercostal nerve block for pain relief after thoracotomy (Sabanathan et al), 425
- Anaphylatoxins
complement activation in cardiopulmonary bypass, with special reference to anaphylatoxin production in membrane and bubble oxygenators (Tamiya et al), 47
- Aneurysm, dissecting
circumferential intimal tear causing obstruction of the aortic arch: an unusual complication of aortic dissection (Reitknecht et al), CASE REPORT, 100
- Aneurysm, infected
successful repair of postoperative ascending aortic mycotic false aneurysms using circulatory arrest (Bojar et al), 182
- Angina pectoris
congenital pericardial defect (Cheng), CORRESPONDENCE, 367; reply (Chapman et al), CORRESPONDENCE, 367
congenital pericardial defect (Lajos), CORRESPONDENCE, 367; reply (Chapman et al), CORRESPONDENCE, 367
- Angiography
congenital pericardial defect (Cheng), CORRESPONDENCE, 367; reply (Chapman et al), CORRESPONDENCE, 367
congenital pericardial defect (Lajos), CORRESPONDENCE, 367; reply (Chapman et al), CORRESPONDENCE, 367
- Angioplasty, transluminal
changing mortality of myocardial revascularization: coronary artery bypass and angioplasty (Naunheim et al), 666
revascularization after thrombolytic therapy for acute myocardial infarction: an analysis of 573 patients (Petrovich et al), 163
surgical repair of annular disruption following percutaneous balloon aortic valvuloplasty (Seifert and Auer), CASE REPORT, 242
- Announcement
guidelines for data reporting and nomenclature for *The Annals of Thoracic Surgery*, ANNOUNCEMENT, 260
Message from the Editor, 487
1988 Meeting, The Society of Thoracic Surgeons, 714
- Anoxemia
fatal hypoxemia following mitral valve replacement (Streitz and Maggs), CASE REPORT, 104
- Anoxia
venovenous extracorporeal membrane oxygenation for non-cardiogenic pulmonary edema after coronary bypass surgery (Katz et al), CASE REPORT, 462
- Antibodies, monoclonal
treatment of advanced cardiac allograft rejection (Sweeney et al), 378
- Antithymocyte
cyclosporin A in cardiac transplantation: medium-term results in 62 patients (Hakim et al), 495
- Aorta
calculation of aorta-pulmonary artery shunt size (Ebels et al), CORRESPONDENCE, 119; reply (Kusuhara), CORRESPONDENCE, 119
rapid method for determining the need for mechanical support of the right ventricle (O'Neill et al), HOW TO DO IT, 106
successful repair of postoperative ascending aortic mycotic false aneurysms using circulatory arrest (Bojar et al), 182
- Aorta, surgery
extended aortoplasty to relieve supraaortic aortic stenosis (Stewart et al), 427
- Aorta, thoracic
extended and total aortic resection in the surgical treatment of acute type A aortic dissection: experience with 54 patients (Massimo et al), 420
heart transplantation in repaired transposition of the great arteries (Harjula et al), 611
surgery of the descending thoracic aorta: spinal cord protection with the Gott shunt (Verdant et al), 147
- Aortic aneurysm
circumferential intimal tear causing obstruction of the aortic arch: an unusual complication of aortic dissection (Reitknecht et al), CASE REPORT, 100
surgery of the descending thoracic aorta: spinal cord protection with the Gott shunt (Verdant et al), 147
- Aortic arch syndromes
interrupted aortic arch (Litwin), CORRESPONDENCE, 370; reply (Ilbawi), CORRESPONDENCE, 370
- Aortic supraaortic stenosis
extended aortoplasty to relieve supraaortic aortic stenosis (Stewart et al), 427
- Aortic valve
inhibition of bioprosthetic heart valve calcification with aminodiphosphonate covalently bound to residual aldehyde groups (Webb et al), 309
- Aortic valve, surgery
aortic and mitral valve replacement in idiopathic hyper-eosinophilic syndrome (Hendren et al), CASE REPORT, 570
aortic valve selection in the elderly patient (Borkon et al), 270
Carpentier-Edwards standard porcine bioprosthesis: primary tissue failure (structural valve deterioration) by age groups (Jamieson et al), 155
coronary flow characteristics of left coronary artery in aortic regurgitation before and after aortic valve replacement (Fujiwara et al), 79
in vitro analysis of performance of porcine xenografts with inward bending of stent posts: real-time measurement of valve orifice area using an area meter (Akiyama et al), 331
Ionescu-Shiley pericardial valve: results in 473 patients (Daenen et al), 536
long-term performance of 555 aortic homografts in the aortic position (Matsuki et al), 187
performance of the Hancock porcine bioprosthesis following aortic valve replacement: considerations based on a 15-year experience (Milano et al), 216

July issue, pp 1-130; August issue, pp 131-256; September issue, pp 257-376; October issue, pp 377-484; November issue, 485-602; December issue, 603-738.

Aortic valve, surgery (continued)

- risks and benefits of thrombolytic therapy in acute aortic and mitral prosthetic valve dysfunction: report of a case and review of the literature (Graver et al), 85
- should aortic valve replacement be performed in elderly patients? (Sethi), EDITORIAL, 262
- surgical management of aortic valve disease in the elderly: a longitudinal analysis (Bessone et al), 264
- tissue buckling as a mechanism of bioprosthetic valve failure (Vesely et al), 302
- traumatic rupture of extracardiac valved conduit: unusual late complication producing outflow tract obstruction (Ursell et al), CASE REPORT, 351

Aortic valve insufficiency

- coronary flow characteristics of left coronary artery in aortic regurgitation before and after aortic valve replacement (Fujiwara et al), 79
- extended and total aortic resection in the surgical treatment of acute type A aortic dissection: experience with 54 patients (Massimo et al), 420
- surgical repair of annular disruption following percutaneous balloon aortic valvuloplasty (Seifert and Auer), CASE REPORT, 242

Aortic valve stenosis

- surgical management of aortic valve disease in the elderly: a longitudinal analysis (Bessone et al), 264
- surgical repair of annular disruption following percutaneous balloon aortic valvuloplasty (Seifert and Auer), CASE REPORT, 242

Aortocoronary bypass

- adjunct endarterectomy of the left anterior descending coronary artery (Shapira et al), 289
- aneurysm of an aortocoronary saphenous vein bypass graft presenting as an anterior mediastinal mass (Lopez-Velarde et al), CASE REPORT, 349
- carbodiissection of the internal thoracic artery pedicle (Lee), HOW TO DO IT, 470
- changing mortality of myocardial revascularization: coronary artery bypass and angioplasty (Naunheim et al), 666
- clastogenic factor in ischemia-reperfusion injury during open-heart surgery: protective effect of allopurinol (Ement et al), 619
- clinical evaluation of pressure-controlled intermittent coronary sinus occlusion: randomized trial during coronary artery surgery (Mohl et al), 192
- coronary and systemic vascular resistance during reperfusion after global myocardial ischemia (Digerness et al), 447
- coronary artery bypass grafting in patients with a tracheostoma: use of a bilateral thoracotomy incision (Marshall et al), HOW TO DO IT, 465
- coronary-subclavian steal syndrome: report of a case and recommendations for prevention and management (Marshall et al), 93
- determinants of wound infection incidence after isolated coronary artery bypass surgery in patients randomized to receive prophylactic cefuroxime or cefazolin (Conklin et al), 172
- internal cardiac cooling improves atrial preservation: electrophysiological and biochemical assessment (Chen et al), 406
- morbidity and mortality of coronary bypass surgery in patients 75 years of age or older (Rich et al), 638
- new technique of internal cardiac cooling improves atrial protection (Chen et al), 401
- perioperative morbidity in diabetics requiring coronary artery bypass surgery (Clement et al), 321
- revascularization after thrombolytic therapy for acute myocardial infarction: an analysis of 573 patients (Petrovich et al), 163
- review of coronary-subclavian steal following internal mammary artery-coronary artery bypass surgery (Olsen et al), 675
- simple, inexpensive method of heart retraction during coronary artery bypass surgery (Angelini), HOW TO DO IT, 246

- surgical removal of a mobile, pedunculated left ventricular thrombus: report of 4 cases (Nili et al), 396
- total obstruction of the left main coronary artery (Shahian et al), 317
- venovenous extracorporeal membrane oxygenation for non-cardiogenic pulmonary edema after coronary bypass surgery (Katz et al), CASE REPORT, 462

Aortopulmonary window. See Heart defects, congenital**Arrhythmia**

- prolonged asystole during intraoperative myocardial reperfusion (Lazar), CORRESPONDENCE, 711; reply (Addetia), CORRESPONDENCE, 711
- results of total correction of tetralogy of Fallot performed in adults (Presbitero et al), 297
- single pericardial patch technique for repair of partial anomalous pulmonary venous drainage associated with sinus venous atrial septal defect (Ohmi and Mohri), HOW TO DO IT, 360
- surgical treatment of ventricular arrhythmias (Cox and Rosenbloom), KEY REFERENCES, 598

Assisted circulation

- bridge to cardiac transplantation (Hill), EDITORIAL, 131
- bridging to cardiac transplantation with pulsatile ventricular assist devices (Kanter et al), 134

Authorship

- scientific responsibility in medical reporting (Peters), EDITORIAL, 377

Azathioprine

- cyclosporin A in cardiac transplantation: medium-term results in 62 patients (Hakim et al), 495
- incidence and severity of acute cardiac allograft rejection with two different low-dose cyclosporine maintenance protocols (Laufer et al), 382

Azygos vein

- superior vena cava bypass: use of the azygos vein (Lee et al), CASE REPORT, 686

Bioprosthesis

- aortic valve selection in the elderly patient (Borkon et al), 270
- Carpentier-Edwards standard porcine bioprosthesis: primary tissue failure (structural valve deterioration) by age groups (Jamieson et al), 155
- inhibition of bioprosthetic heart valve calcification with aminodiphosphonate covalently bound to residual aldehyde groups (Webb et al), 309
- in vitro analysis of performance of porcine xenografts with inward bending of stent posts: real-time measurement of valve orifice area using an area meter (Akiyama et al), 331
- performance of the Hancock porcine bioprosthesis following aortic valve replacement: considerations based on a 15-year experience (Milano et al), 216
- stent creep of porcine bioprosthesis in the mitral position (Akiyama et al), 73
- tissue buckling as a mechanism of bioprosthetic valve failure (Vesely et al), 302
- traumatic rupture of extracardiac valved conduit: unusual late complication producing outflow tract obstruction (Ursell et al), CASE REPORT, 351

Blister

- characteristic radiographic features of pulmonary carcinoma associated with large bulla (Tsutsui et al), 679

Blood coagulation disorders

- cardiovascular surgery in patients with congenital plasma coagulopathies (Vander Woude et al), 283

Blood platelets

- autologous platelet-rich plasma in cardiac surgery: effect on intraoperative and postoperative transfusion requirements (Giordano et al), 416

Blood transfusion, autologous

- autologous platelet-rich plasma in cardiac surgery: effect on intraoperative and postoperative transfusion requirements (Giordano et al), 416

Book review

- Acute Revascularization of the Infarcted Heart*, edited by Reves (Spray), 301
- Anesthesia for Thoracic Surgery*, by Benumof (Globerson and Myyra), 461
- Atrioventricular Conduction in Congenital Heart Disease: Surgical Anatomy*, by Kurosawa and Becker (del Nido), 336
- Books received, 454
- Clinical Exercise Testing*, by Jones (Scott), 19
- Decision Making in Vascular Surgery*, edited by Scribner et al (Miller), 186
- Essentials of Thoracic and Cardiac Surgery*, edited by Moghissi (Neville), 107
- Magnetic Resonance Imaging of the Thorax*, edited by Sperber and Kaiser (Forrest), 469
- A Manual of Thoracic Surgery*, by von Hippel (Wilkins), 355
- Mesothelioma. Diagnosis and Management*, by Kittle (Miller), 583
- Mitral Valve Disease*, edited by Ionescu and Cohn (Ellison), 207
- Reoperative Vascular Surgery*, edited by Trout et al (Oakes), 644
- Trachea and Lung Surgery in Childhood* (Progress in Pediatric Surgery; Vol 21), edited by Wurnig (Haller), 573
- Trauma*, edited by Mattox et al (Blaisdell), 191
- Brain neoplasms**
surgical management of lung cancer with solitary cerebral metastasis (Hankins et al), 24
- Brewer III, L. A.**
Lyman A. Brewer, III, M.D., 1907-1988 (Peters), TRIBUTE, 485
- Bronchial fistula**
isolated, contained esophagobronchial fistula complicating esophagogastrectomy (Hendren and Miller), CASE REPORT, 457
- Bronchial neoplasms**
tracheal sleeve pneumonectomy for bronchogenic carcinoma: report of 55 cases (Darteville et al), 68
- Bundle of His.** See Heart conduction system
- Bupivacaine**
continuous intercostal nerve block for pain relief after thoracotomy (Sabanathan et al), 425
- Calcification, physiological**
calcified mitral valve annulus: prosthesis insertion (Coselli and Crawford), HOW TO DO IT, 584
inhibition of bioprosthetic heart valve calcification with aminodiphosphonate covalently bound to residual aldehyde groups (Webb et al), 309

cardiac transplantation: the ideal myocardial temperature for graft transport (Keon et al), 337
- Cantrell's syndrome**
operative management of chest wall deformities in children: unique contributions of Southern thoracic surgeons (Haller), PRESIDENTIAL ADDRESS, 4
- Carbon dioxide**
carbodissection of the internal thoracic artery pedicle (Lee), HOW TO DO IT, 470
- Carcinoma, alveolar cell**
alveolar cell carcinoma of the lung: a retrospective analysis of 205 patients (Harpole et al), 502
- Carcinoma, bronchogenic**
Hugh Morriston Davies and lobectomy for cancer, 1912 (Meyer), HISTORICAL VIGNETTE, 472
- Carcinoma, non-small cell lung**
importance of surgery to non-small cell carcinoma of the lung with mediastinal lymph node metastasis (Naruke et al), 603
neoadjuvant therapy of stage III non-small cell lung cancer (Einhorn), CURRENT REVIEW, 362
results of surgical treatment of patients with T3 non-small cell lung cancer (Nakahashi et al), 178
- Carcinoma, squamous cell**
superior vena cava bypass: use of the azygos vein (Lee et al), CASE REPORT, 686

- Cardiac output, low**
successful use of intraaortic balloon pumping in a 2-kilogram infant (del Nido et al), CASE REPORT, 574
- Cardiac tamponade**
cardiac tamponade due to chylopericardium after cardiac surgery (Pereira et al), CASE REPORT, 572
- Cardioplegia.** See Heart arrest, induced
- Cardiopulmonary bypass**
autologous platelet-rich plasma in cardiac surgery: effect on intraoperative and postoperative transfusion requirements (Giordano et al), 416
complement activation in cardiopulmonary bypass, with special reference to anaphylatoxin production in membrane and bubble oxygenators (Tamiya et al), 47
coronary artery spasm following coronary artery surgery (Lemmer and Kirsh), CURRENT REVIEW, 108
donor deep hypothermia or donor pretreatment with prostaglandin E₁ and single pulmonary artery flush for heart-lung graft preservation: an experimental primate study (Harjula et al), 553
endocarditis due to six entrapped pacemaker leads and concomitant recurrent coronary arteriosclerosis (Hong-Barco et al), CASE REPORT, 97
new pericardial sucker: Omni sucker for better aspiration of intrapericardial blood (Hosoda et al), HOW TO DO IT, 582
rapid method for determining the need for mechanical support of the right ventricle (O'Neill et al), HOW TO DO IT, 106
results of intraaortic balloon pumping after cardiac surgery: experience with the Percor balloon catheter (Di Lello et al), 442
successful operative management of struma cordis obstructing the left ventricular outflow tract (Kon et al), CASE REPORT, 244
transatrial repair of double-chambered right ventricle (Ford et al), 412
tricuspid valve replacement using an unstented pulmonary homograft (McKay et al), 58
ventricular aneurysm after myocardial infarction: surgical excision with use of temporary cardiopulmonary bypass (Cooley), CLASSICS IN THORACIC SURGERY, 589
- Cardiopulmonary resuscitation**
acute purulent mediastinitis and sternal osteomyelitis after closed chest cardiopulmonary resuscitation: a case report and review of the literature (Mensah et al), CASE REPORT, 353
- Cardiovascular diseases, surgery**
cardiovascular surgery in patients with congenital plasma coagulopathies (Vander Woude et al), 283
- Case report**
acute purulent mediastinitis and sternal osteomyelitis after closed chest cardiopulmonary resuscitation: a case report and review of the literature (Mensah et al), 353
aneurysm of an aortocoronary saphenous vein bypass graft presenting as an anterior mediastinal mass (Lopez-Velarde et al), 349
aortic and mitral valve replacement in idiopathic hyper eosinophilic syndrome (Hendren et al), 570
arterial helium embolism from a ruptured intraaortic balloon (Frederiksen et al), 690
arteriovenous and capillary hemangiomas of the intraventricular septum (Tadros et al), 236
bilateral granular tumors of the posterior mediastinum (Aisner et al), 688
cardiac tamponade due to chylopericardium after cardiac surgery (Pereira et al), 572
circumferential intimal tear causing obstruction of the aortic arch: an unusual complication of aortic dissection (Reitknecht et al), 100
coronary-coronary bypass using internal mammary artery (Nishida et al), 577
endocarditis due to six entrapped pacemaker leads and con-

Case report (continued)

- comitant recurrent coronary arteriosclerosis (Hong-Barco et al), 97
- fatal hypoxemia following mitral valve replacement (Streitz and Maggs), 104
- importance of two-dimensional echocardiography in the location of a bullet embolus to the right ventricle (Amsel et al), 102
- isolated, contained esophagobronchial fistula complicating esophagogastricomy (Hendren and Miller), 457
- left atrial tumor embolization during pulmonary resection: review of literature and report of two cases (Mansour et al), 455
- management of recurrent superior vena caval syndrome with an externally supported femoral vein bypass graft (Marshall and Kouchoukos), 239
- mitral valve dysfunction following papillary muscle cryoablation (Piccone and Goldin), 347
- substernal goiter versus intrathoracic aberrant thyroid: a critical difference (Hall et al), 684
- successful operative management of struma cordis obstructing the left ventricular outflow tract (Kon et al), 244
- successful use of intraaortic balloon pumping in a 2-kilogram infant (del Nido et al), 574
- superior vena cava bypass: use of the azygos vein (Lee et al), 686
- surgical management of coronary insufficiency in a child with Kawasaki's disease: use of bilateral internal mammary arteries (Myers et al), 459
- surgical repair of annular disruption following percutaneous balloon aortic valvuloplasty (Seifert and Auer), 242
- symptomatic mediastinal thymic cysts (Davis and Florendo), 693
- traumatic rupture of extracardiac valved conduit: unusual late complication producing outflow tract obstruction (Ursell et al), 351
- treatment of absent pulmonary valve syndrome with homograft (Kron et al), 579
- venovenous extracorporeal membrane oxygenation for non-cardiogenic pulmonary edema after coronary bypass surgery (Katz et al), 462
- Cefamandole**
- antibiotic prophylaxis in open-heart surgery: a comparison of cefamandole, cefuroxime, and cefazolin (Gentry et al), 167
- Cefazolin**
- antibiotic prophylaxis in open-heart surgery: a comparison of cefamandole, cefuroxime, and cefazolin (Gentry et al), 167
- determinants of wound infection incidence after isolated coronary artery bypass surgery in patients randomized to receive prophylactic cefuroxime or cefazolin (Conklin et al), 172
- Cefuroxime**
- antibiotic prophylaxis in open-heart surgery: a comparison of cefamandole, cefuroxime, and cefazolin (Gentry et al), 167
- determinants of wound infection incidence after isolated coronary artery bypass surgery in patients randomized to receive prophylactic cefuroxime or cefazolin (Conklin et al), 172
- Cerebral embolism**
- arterial helium embolism from a ruptured intraaortic balloon (Frederiksen et al), CASE REPORT, 690
- Cerebral ischemia**
- coronary-subclavian steal syndrome: report of a case and recommendations for prevention and management (Marshall et al), 93
- Choristoma**
- substernal goiter versus intrathoracic aberrant thyroid: a critical difference (Hall et al), CASE REPORT, 684
- Chromosome aberrations**
- clastogenic factor in ischemia-reperfusion injury during open-heart surgery: protective effect of allopurinol (Emerit et al), 619
- Chylopericardium**
- cardiac tamponade due to chylopericardium after cardiac surgery (Pereira et al), CASE REPORT, 572
- Classics in thoracic surgery**
- left thoracoabdominal incision (Heitmiller), 250

application of fibrin glue for reduction of perioperative hemorrhage (Boyd et al), CORRESPONDENCE, 254; reply (Spotnitz et al), CORRESPONDENCE, 254

Melanoma

how far should we go? (Mark), EDITORIAL, 3

resection of pulmonary metastases from malignant melanoma: results of a 16-year experience (Pogrebniak et al), 20

Methylmethacrylates

successful treatment of empyema thoracis with polymethylmethacrylate antibiotic-impregnated beads in the guinea pig (Mavroudis et al), 615

Mitral valve

mitral valve dysfunction following papillary muscle cryoablation (Piccione and Goldin), CASE REPORT, 347

Mitral valve, surgery

aortic and mitral valve replacement in idiopathic hyper-eosinophilic syndrome (Hendren et al), CASE REPORT, 570

calcified mitral valve annulus: prosthesis insertion (Coselli and Crawford), HOW TO DO IT, 584

Carpentier-Edwards standard porcine bioprosthesis: primary tissue failure (structural valve deterioration) by age groups (Jamieson et al), 155

"designer" annuloplasty ring for patients with massive mitral dilation (Shumway et al), HOW TO DO IT, 695

extrinsic obstruction of the Medtronic-Hall prosthesis (Pories and Littleman), CORRESPONDENCE, 601

fatal hypoxemia following mitral valve replacement (Streitz and Maggs), CASE REPORT, 104

intractable hemolysis caused by perivalvular leakage following mitral valve replacement with St. Jude medical prosthesis (Okita et al), 89

in vitro analysis of performance of porcine xenografts with inward bending of stent posts: real-time measurement of valve orifice area using an area meter (Akiyama et al), 331

Ionescu-Shiley pericardial valve: results in 473 patients (Daenen et al), 536

ligation of the left atrial appendage using an automatic surgical stapler (DiSesa et al), 652

risks and benefits of thrombolytic therapy in acute aortic and mitral prosthetic valve dysfunction: report of a case and review of the literature (Graver et al), 85

rupture of left ventricle following mitral valve replacement (Karlson et al), COLLECTIVE REVIEW, 590

rupture of left ventricle following mitral valve replacement (Rainer), EDITORIAL, 488

rupture of the posterior wall of the left ventricle after mitral valve replacement: etiological and technical considerations (Azariades and Lennox), 491

stent creep of porcine bioprosthesis in the mitral position (Akiyama et al), 73

Mitral valve insufficiency

extrinsic obstruction of the Medtronic-Hall prosthesis (Pories and Littleman), CORRESPONDENCE, 601

Mucocutaneous lymph node syndrome

surgical management of coronary insufficiency in a child with Kawasaki's disease: use of bilateral internal mammary arteries (Myers et al), CASE REPORT, 459

Mycobacterium infections

rapidly growing nontuberculous mycobacteria: a new enemy of the cardiac surgeon (Robicsek et al), CURRENT REVIEW, 703

Mycotic aneurysm. See Aneurysm, infected**Myocardial contraction**

coronary and systemic vascular resistance during reperfusion after global myocardial ischemia (Digerness et al), 447

effects of simulated intraoperative electrophysiological testing on function of the canine left ventricle (Cole et al), 556

hemodynamic consequences of right ventricular isolation: the contribution of the right ventricular free wall to cardiac performance (Damiano et al), 324

Myocardial diseases

effect of experimental cardioplegia methods on normal and hypertrophied rat hearts (Hochhauser et al), 208

Myocardial infarction

canine model to assess the electrical stability of the transplanted heart (Levett and Bianchi), 631

revascularization after thrombolytic therapy for acute myocardial infarction: an analysis of 573 patients (Petrovich et al), 163

surgical removal of a mobile, pedunculated left ventricular thrombus: report of 4 cases (Nili et al), 396

technique for repair of left ventricular free wall rupture (Levett et al), HOW TO DO IT, 248

ventricular aneurysm after myocardial infarction: surgical excision with use of temporary cardiopulmonary bypass (Cooley), CLASSICS IN THORACIC SURGERY, 589

Myocardial revascularization

adjunct endarterectomy of the left anterior descending coronary artery (Shapira et al), 289

- coronary sinus interventions during cardiac surgery (Lazar), CURRENT REVIEW, 475
- impending sudden cardiac death: treatment with myocardial revascularization and the automatic implantable cardioverter defibrillator (Fonger et al), 13
- impending sudden cardiac death: treatment with myocardial revascularization and the automatic implantable cardioverter defibrillator (Tyers), EDITORIAL, 1
- left ventricular aneurysm repair with myocardial revascularization: an analysis of 246 consecutive patients over 15 years (Vauthey et al), 29
- prolonged asystole during intraoperative myocardial reperfusion (Lazar), CORRESPONDENCE, 711; reply (Addetia), CORRESPONDENCE, 711
- retrograde flow in the internal mammary artery (Crumbly), CORRESPONDENCE, 255; reply (Briggs et al), CORRESPONDENCE, 255
- revascularization after thrombolytic therapy for acute myocardial infarction: an analysis of 573 patients (Petrovich et al), 163
- surgical management of coronary insufficiency in a child with Kawasaki's disease: use of bilateral internal mammary arteries (Myers et al), CASE REPORT, 459
- total obstruction of the left main coronary artery (Shahian et al), 317
- Myocardium**
- cardiac cryolesions: factors affecting their size and a means of monitoring their formation (Markovitz et al), 531
- clinical evaluation of pressure-controlled intermittent coronary sinus occlusion: randomized trial during coronary artery surgery (Mohl et al), 192
- Neoplasm circulating cells**
- left atrial tumor embolization during pulmonary resection: review of literature and report of two cases (Mansour et al), CASE REPORT, 455
- Neoplasm metastasis**
- completion pneumonectomy: indications, complications, and results (McGovern et al), 141
- how far should we go? (Mark), EDITORIAL, 3
- resection of pulmonary metastases from malignant melanoma: results of a 16-year-experience (Pogrebniak et al), 20
- surgical management of lung cancer with solitary cerebral metastasis (Hankins et al), 24
- Neoplasms, nervous tissue**
- bilateral granular tumors of the posterior mediastinum (Aisner et al), CASE REPORT, 688
- Nerve block**
- continuous intercostal nerve block for pain relief after thoracotomy (Sabanathan et al), 425
- Nomenclature**
- guidelines for data reporting and nomenclature for *The Annals of Thoracic Surgery*, ANNOUNCEMENT, 260
- guidelines for reporting morbidity and mortality after cardiac valvular operations (Edmunds et al), REPORT, 257
- Organ preservation**
- cardiac transplantation: the ideal myocardial temperature for graft transport (Keon et al), 337
- core-cooling, heart-perfusion, lung-immersion technique provides successful cardiopulmonary preservation for heart-lung transplantation (Bando et al), 625
- donor deep hypothermia or donor pretreatment with prostaglandin E₁ and single pulmonary artery flush for heart-lung graft preservation: an experimental primate study (Harjula et al), 553
- Osteomyelitis**
- acute purulent mediastinitis and sternal osteomyelitis after closed chest cardiopulmonary resuscitation: a case report and review of the literature (Mensah et al), CASE REPORT, 353
- Oxygenators**
- complement activation in cardiopulmonary bypass, with special reference to anaphylatoxin production in membrane and bubble oxygenators (Tamiya et al), 47
- Oxygenators, membrane**
- venovenous extracorporeal membrane oxygenation for non-cardiogenic pulmonary edema after coronary bypass surgery (Katz et al), CASE REPORT, 462
- Oxygen consumption**
- assessment of exercise oxygen consumption (Olsen and Weiman), CORRESPONDENCE, 483
- unilateral high-frequency jet ventilation during one-lung ventilation for thoracotomy (Nakatsuka et al), 654
- Pacemaker, artificial**
- endocarditis due to six entrapped pacemaker leads and concomitant recurrent coronary arteriosclerosis (Hong-Barco et al), CASE REPORT, 97
- Pectus carinatum**
- operative management of chest wall deformities in children: unique contributions of Southern thoracic surgeons (Haller), PRESIDENTIAL ADDRESS, 4
- Pectus excavatum**
- operative management of chest wall deformities in children: unique contributions of Southern thoracic surgeons (Haller), PRESIDENTIAL ADDRESS, 4
- Percor balloon catheter.** See *Intraaortic balloon pumping*
- Percutaneous tracheostomy.** See *Tracheotomy*
- Pericardium**
- inhibition of bioprosthetic heart valve calcification with aminodiphosphate covalently bound to residual aldehyde groups (Webb et al), 309
- new pericardial sucker: Omni sucker for better aspiration of intrapericardial blood (Hosoda et al), HOW TO DO IT, 582
- pericardial substitutes: a survey (Heydorn et al), 567
- retrieval of metallic objects from the pericardial cavity (Kalmbach and Lajos), CORRESPONDENCE, 484
- Pericardium, abnormalities**
- congenital pericardial defect (Cheng), CORRESPONDENCE, 367; reply (Chapman et al), CORRESPONDENCE, 367
- congenital pericardial defect (Lajos), CORRESPONDENCE, 367; reply (Chapman et al), CORRESPONDENCE, 367
- Phemister, D. B.**
- surgery for carcinoma of the thoracic esophagus: Adams and Phemister in perspective (Klingman and DeMeester), CLASSICS IN THORACIC SURGERY, 699
- Pneumonectomy**
- completion pneumonectomy: indications, complications, and results (McGovern et al), 141
- indications for completion pneumonectomy (Deslauriers), EDITORIAL, 133
- tracheal sleeve pneumonectomy for bronchogenic carcinoma: report of 55 cases (Dartevelle et al), 68
- Poland's syndrome**
- operative management of chest wall deformities in children: unique contributions of Southern thoracic surgeons (Haller), PRESIDENTIAL ADDRESS, 4
- Polyethylene terephthalate**
- porcine-valved Dacron conduits in Fontan procedures (Prenger et al), 526
- Polymethylmethacrylate.** See *Methylmethacrylates*
- Polytetrafluoroethylene**
- management of recurrent superior vena caval syndrome with an externally supported femoral vein bypass graft (Marshall and Kouchoukos), CASE REPORT, 239
- pericardial substitutes: a survey (Heydorn et al), 567
- Porcine xenograph bioprosthesis.** See *Bioprosthesis*
- Prednisone**
- incidence and severity of acute cardiac allograft rejection with two different low-dose cyclosporine maintenance protocols (Laufer et al), 382

Prednisone (continued)

treatment of advanced cardiac allograft rejection (Sweeney et al), 378

Presidential Address

operative management of chest wall deformities in children: unique contributions of Southern thoracic surgeons (Haller), 4

Prostacyclin. See Prostaglandins X**Prostaglandins**

donor deep hypothermia or donor pretreatment with prostaglandin E₁ and single pulmonary artery flush for heart-lung graft preservation: an experimental primate study (Harjula et al), 553

Prostaglandins X

temporal relationship in arterial and venous prostacyclin and thromboxane activity during 24 hours of intraaortic balloon counterpulsation in dogs (Hoover et al), 661

Pulmonary artery

calculation of aorta-pulmonary artery shunt size (Ebels et al), CORRESPONDENCE, 119; reply (Kusuhara), CORRESPONDENCE, 119

rapid method for determining the need for mechanical support of the right ventricle (O'Neill et al), HOW TO DO IT, 106

Pulmonary edema

venovenous extracorporeal membrane oxygenation for non-cardiogenic pulmonary edema after coronary bypass surgery (Katz et al), CASE REPORT, 462

Pulmonary nodule, solitary. See Coin lesion, pulmonary**Pulmonary valve**

treatment of absent pulmonary valve syndrome with homograft (Kron et al), CASE REPORT, 579

tricuspid valve replacement using an unstented pulmonary homograft (McKay et al), 58

Pulmonary valve insufficiency

treatment of absent pulmonary valve syndrome with homograft (Kron et al), CASE REPORT, 579

Pulmonary veins

single pericardial patch technique for repair of partial anomalous pulmonary venous drainage associated with sinus venosus atrial septal defect (Ohmi and Mohri), HOW TO DO IT, 360

Renal failure, acute

cyclosporin A in cardiac transplantation: medium-term results in 62 patients (Hakim et al), 495

Reoperation

pericardial substitutes: a survey (Heydorn et al), 567

retrograde coronary sinus perfusion (Snyder et al), 389

Report

guidelines for reporting morbidity and mortality after cardiac valvular operations (Edmunds et al), 257

Respiration, artificial

unilateral high-frequency jet ventilation during one-lung ventilation for thoracotomy (Nakatsuka et al), 654

Respiratory insufficiency

prediction of postoperative respiratory failure in patients undergoing lung resection for lung cancer (Nakahara et al), 549

Resuscitation. See Cardiopulmonary resuscitation**Ribs**

chest wall resection for Ewing's sarcoma of the ribs: an unnecessary procedure (Rao et al), 40

chest wall stabilization using plate fixation (Sherman et al), HOW TO DO IT, 467

Saphenous vein

aneurysm of an aortocoronary saphenous vein bypass graft presenting as an anterior mediastinal mass (Lopez-Velarde et al), CASE REPORT, 349

management of recurrent superior vena caval syndrome with an externally supported femoral vein bypass graft (Marshall and Kouchochos), CASE REPORT, 239

Sarcoma

left atrial tumor embolization during pulmonary resection; review of literature and report of two cases (Mansour et al), CASE REPORT, 455

Sarcoma, Ewing's

chest wall resection for Ewing's sarcoma of the ribs: an unnecessary procedure (Rao et al), 40

Scleroderma

surgery for scleroderma of the esophagus: a 12-year experience (Mansour and Malone), 513

Sinus of Valsalva

15- to 30-year follow-up of patients undergoing repair of ruptured congenital aneurysms of the sinus of Valsalva (Baragry et al), 515

surgical repair and long-term results in ruptured sinus of Valsalva aneurysm (Abe and Komatsu), 520

The Society of Thoracic Surgeons

1988 Meeting, The Society of Thoracic Surgeons, 714

The Society of Thoracic Surgeons: Twenty-fourth Annual Meeting, Program, 121

Sodium

impact of acute reduction in chronically elevated left atrial pressure on sodium and water excretion (Shannon et al), 430

Southern Thoracic Surgical Association

operative management of chest wall deformities in children: unique contributions of Southern thoracic surgeons (Haller), PRESIDENTIAL ADDRESS, 4

program for the Thirty-fifth Annual Meeting of the Southern Thoracic Surgical Association, 372

Spinal cord

surgery of the descending thoracic aorta: spinal cord protection with the Gott shunt (Verdant et al), 147

Spleen

thoracic splenosis (Kamath), CORRESPONDENCE, 367

Staphylococcal infections

acute purulent mediastinitis and sternal osteomyelitis after closed chest cardiopulmonary resuscitation: a case report and review of the literature (Mensah et al), CASE REPORT, 353

successful treatment of empyema thoracis with polymethylmethacrylate antibiotic-impregnated beads in the guinea pig (Mavroudis et al), 615

Sternum

acute purulent mediastinitis and sternal osteomyelitis after closed chest cardiopulmonary resuscitation: a case report and review of the literature (Mensah et al), CASE REPORT, 353

Sternum, surgery

chest wall stabilization using plate fixation (Sherman et al), HOW TO DO IT, 467

current techniques for chest wall reconstruction: expanded possibilities for treatment (McKenna et al), 508

management of postoperative mediastinitis in infants and children by muscle flap rotation (Stiegel et al), 45

operative management of chest wall deformities in children: unique contributions of Southern thoracic surgeons (Haller), PRESIDENTIAL ADDRESS, 4

repair of fractured wire during sternotomy closure (Tell), CORRESPONDENCE, 120; reply (Keogh and Bidstrup), CORRESPONDENCE, 120

Steroids

cyclosporin A in cardiac transplantation: medium-term results in 62 patients (Hakim et al), 495

Streptokinase

revascularization after thrombolytic therapy for acute myocardial infarction: an analysis of 573 patients (Petrovich et al), 163

risks and benefits of thrombolytic therapy in acute aortic and mitral prosthetic valve dysfunction: report of a case and review of the literature (Graver et al), 85

Struma cordis. See Thyroid gland

- Subclavian artery
coronary-subclavian steal syndrome: report of a case and recommendations for prevention and management (Marshall et al), 93
- Subclavian artery, surgery
aberrant right subclavian artery (Munnell), CORRESPONDENCE, 118
new surgical approach to the management of symptomatic aberrant right subclavian artery (Dieter), CORRESPONDENCE, 118
- Subclavian steal syndrome
coronary-subclavian steal syndrome: report of a case and recommendations for prevention and management (Marshall et al), 93
review of coronary-subclavian steal following internal mammary artery-coronary artery bypass surgery (Olsen et al), 675
- Substance abuse
surgical management of empyema thoracis in substance abuse patients: a 5-year experience (Hoover et al), 563
- Suction
new pericardial sucker: Omni sucker for better aspiration of intrapericardial blood (Hosoda et al), HOW TO DO IT, 582
- Surgical instruments
new pericardial sucker: Omni sucker for better aspiration of intrapericardial blood (Hosoda et al), HOW TO DO IT, 582
simple, inexpensive method of heart retraction during coronary artery bypass surgery (Angelini), HOW TO DO IT, 246
- Surgical staplers
ligation of the left atrial appendage using an automatic surgical stapler (DiSesa et al), 652
- Tachycardia
computerized global electrophysiological mapping of the atrium in a patient with multiple supraventricular tachyarrhythmias (Canavan et al), 232
right ventricular free wall isolation: effects on regional myocardial blood flow (Damiano et al), 391
- Temperature
cardiac cryolesions: factors affecting their size and a means of monitoring their formation (Markovitz et al), 531
cardiac transplantation: the ideal myocardial temperature for graft transport (Keon et al), 337
- Tetralogy of Fallot
corrective repair of complete atrioventricular canal defects and major associated cardiac anomalies (Pacífico et al), 645
early primary repair of tetralogy of Fallot (Jacobs and Vlahakes), CORRESPONDENCE, 711; reply (Kirklin), CORRESPONDENCE, 711
results of total correction of tetralogy of Fallot performed in adults (Presbitero et al), 297
- Thoracic arteries
carbotomy of the internal thoracic artery pedicle (Lee), HOW TO DO IT, 470
- Thoracic diseases
successful treatment of empyema thoracis with polymethylmethacrylate antibiotic-impregnated beads in the guinea pig (Mavroudis et al), 615
- Thoracic neoplasms
chest wall resection for Ewing's sarcoma of the ribs: an unnecessary procedure (Rao et al), 40
current techniques for chest wall reconstruction: expanded possibilities for treatment (McKenna et al), 508
- Thoracic surgery
continuous intercostal nerve block for pain relief after thoracotomy (Sabanathan et al), 425
left thoracoabdominal incision (Heitmiller), CLASSICS IN THORACIC SURGERY, 250
muscle sparing thoracotomy (Baker), CORRESPONDENCE, 369
thoracic incisions (Heitmiller), CORRESPONDENCE, 601; reply (Kittle), CORRESPONDENCE, 601
use of colostomy bags for chest tube drainage (Velanovich and Adams), HOW TO DO IT, 697
- Thorax, surgery
chest wall resection for Ewing's sarcoma of the ribs: an unnecessary procedure (Rao et al), 40
current techniques for chest wall reconstruction: expanded possibilities for treatment (McKenna et al), 508
- Thromboembolism
aortic and mitral valve replacement in idiopathic hyper-eosinophilic syndrome (Hendren et al), CASE REPORT, 570
- Thymus gland
symptomatic mediastinal thymic cysts (Davis and Florendo), CASE REPORT, 693
- Thyroid gland
substernal goiter versus intrathoracic aberrant thyroid: a critical difference (Hall et al), CASE REPORT, 684
successful operative management of struma cordis obstructing the left ventricular outflow tract (Kon et al), CASE REPORT, 244
- Trachea, surgery
tracheal sleeve pneumonectomy for bronchogenic carcinoma: report of 55 cases (Dartevelle et al), 68
- Tracheotomy
bedside percutaneous tracheostomy: experience with 55 elective procedures (Hazard et al), 63
coronary artery bypass grafting in patients with a tracheostoma: use of a bilateral thoracotomy incision (Marshall et al), HOW TO DO IT, 465
- Transplantation, heterologous
in vitro analysis of performance of porcine xenografts with inward bending of stent posts: real-time measurement of valve orifice area using an area meter (Akiyama et al), 331
- Transplantation, homologous
long-term performance of 555 aortic homografts in the aortic position (Matsuki et al), 187
- Transposition of great vessels
aortopulmonary window in the first year of life: report on 11 surgical cases (Tiraboschi et al), 438
heart transplantation in repaired transposition of the great arteries (Harjula et al), 611
transposition of the great arteries (Sade), KEY REFERENCES, 116
- Trendelenburg position
Trendelenburg position with air embolism (Roe), CORRESPONDENCE, 369; reply (Butler et al), CORRESPONDENCE, 370
- Tribute
Lyman A. Brewer, III, M.D., 1907-1988 (Peters), 485
- Tricuspid valve, surgery
tricuspid valve replacement using an unstented pulmonary homograft (McKay et al), 58
- Tricuspid valve insufficiency
adjustable annuloplasty for tricuspid insufficiency (Alonso-Lej), CORRESPONDENCE, 368; reply (Kurlansky et al), CORRESPONDENCE, 369
- Truncus arteriosus
traumatic rupture of extracardiac valved conduit: unusual late complication producing outflow tract obstruction (Ursell et al), CASE REPORT, 351
- Urine
impact of acute reduction in chronically elevated left atrial pressure on sodium and water excretion (Shannon et al), 430
- Vena cava, inferior
vena caval involvement with renal tumors: surgical considerations (Tribble et al), 36
- Vena cava, superior
management of recurrent superior vena caval syndrome with an externally supported femoral vein bypass graft (Marshall and Kouchoukos), CASE REPORT, 239
single pericardial patch technique for repair of partial anomalous pulmonary venous drainage associated with sinus venosus atrial septal defect (Ohmi and Mohri), HOW TO DO IT, 360

Vena cava, superior (*continued*)

superior vena cava bypass: use of the azygos vein (Lee et al),
CASE REPORT, 686

Ventilation, mechanical

high-frequency ventilation during dissection of the internal
mammary artery (Shine et al), CORRESPONDENCE, 256

Ventricular fibrillation

impending sudden cardiac death: treatment with myocardial
revascularization and the automatic implantable cardio-
verter defibrillator (Fonger et al), 13

impending sudden cardiac death: treatment with myocardial
revascularization and the automatic implantable cardio-
verter defibrillator (Tyers), EDITORIAL, 1

Ventricular outflow tract

successful operative management of struma cordis obstruct-
ing the left ventricular outflow tract (Kon et al), CASE RE-
PORT, 244

transatrial repair of double-chambered right ventricle (Ford et
al), 412

traumatic rupture of extracardiac valved conduit: unusual
late complication producing outflow tract obstruction
(Ursell et al), CASE REPORT, 351

Verapamil

effect of experimental cardioplegia methods on normal and
hypertrophied rat hearts (Hochhauser et al), 208

Videotape review

Techniques in Congenital Cardiac Surgery, Video Library, Vol-
ume I, by Castaneda et al (Spray), 316

Vocal cord paralysis

vocal cord paralysis in premature infants undergoing ductal
closure (Davis et al), 214

Wolff-Parkinson-White syndrome

computerized global electrophysiological mapping of the
atrium in patients with Wolff-Parkinson-White syndrome
(Canavan et al), 223

Wound infection

determinants of wound infection incidence after isolated
coronary artery bypass surgery in patients randomized to
receive prophylactic cefuroxime or cefazolin (Conklin et al),
172

successful repair of postoperative ascending aortic mycotic
false aneurysms using circulatory arrest (Bojar et al), 182

Wounds, gunshot

importance of two-dimensional echocardiography in the loca-
tion of a bullet embolus to the right ventricle (Amsel et al),
CASE REPORT, 102

Xenograft. *See* Transplantation, heterologous

THE ANNALS OF THORACIC SURGERY

Official Journal of The Society of Thoracic Surgeons
and the Southern Thoracic Surgical Association

Volume 46 July-December 1988

Editor Thomas B. Ferguson, M.D., St. Louis, MO

Herbert Sloan, M.D., Editor 1969-1984
John D. Steele, M.D., Editor 1964-1969

Associate Editors John R. Benfield, M.D., Sacramento
Anthony R. C. Dobell, M.D., Montreal
Marvin M. Kirsh, M.D., Ann Arbor
Hassan Najafi, M.D., Chicago

Richard M. Peters, M.D., Book Review Editor
Department of Surgery, University Hospital
225 Dickinson St, San Diego, CA 92103

Editorial Board Robert W. Anderson, M.D., Evanston
Harvey W. Bender, Jr., M.D., Nashville

Teresa LoConte, Advertising Production Manager

*To provide a place for ALL thoracic surgeons to relate experiences which will
help other practicing thoracic surgeons give better patient care.*

HERBERT SLOAN, M.D.

The Annals of Thoracic Surgery ISSN 0003-4975.
Published monthly by Little, Brown and
Company, 34 Beacon Street, Boston, MA
02108-1493. Subscription rates per year: Personal
subscription, U.S. and possessions, \$65.00;
foreign (includes Canada and Mexico), \$78.00;
institutional, U.S., \$92.00; foreign, \$105.00.
Special rates for students, interns, and residents
per year: U.S., \$48.00; foreign, \$63.00. Single
copies \$10.00 prepaid. In Japan please contact
our exclusive agent: MEDSI, 1-2-13 Yushima,
Bunkyo-ku, Tokyo 113, Japan. Subscription
rates per year in Japan: individual, ¥25,900;
institutional, ¥32,200 (air cargo service only).
Bound Volumes: Nos. 45 and 46 will be
available in 1988. Contact Publisher for more
information. Second-class postage paid at
Boston, MA, and at additional mailing offices.
POSTMASTER: Send address changes to The
Annals of Thoracic Surgery, 34 Beacon St,
Boston, MA 02108-1493.

The Annals of Thoracic Surgery is indexed in *Index
Medicus*, *Current Contents/Clinical Practice/Life
Sciences*, *Excerpta Medica*, *Biological Abstracts*, and
Current Awareness in Biological Sciences.
